

2020 Retirement Reference Guide

This 2020 retirement reference guide helps you identify the most appropriate IRA, 401(k), or other product for your clients, whether they are just starting to save for retirement or looking for another vehicle to help maximize retirement savings.

| | IRA | Roth IRA | SEP IRA | SIMPLE IRA | Traditional 401(k) | Safe Harbor 401(k) | Individual 401(k) |
|---|--|--|---|--|---|--|--|
| Maximum Annual Contribution Limits | For 2020, the contribution limit is \$6,000 (\$7,000 for account holders age 50 and older) or 100% of earned income, whichever is less. A nonemployed spouse may contribute up to \$6,000 per year (\$7,000 for account holders age 50 and older) if joint taxable income permits. | For 2020, the contribution limit is \$6,000 (\$7,000 for account holders age 50 and older) or 100% of earned income, whichever is less. A nonemployed spouse may contribute up to \$6,000 per year (\$7,000 for account holders age 50 and older) if joint taxable income permits. | For 2020, the contribution limit is the lesser of 25% of W-2 pay or \$57,000 (based on the first \$285,000 of compensation); the contribution is effectively limited to 20% of pay if self-employed. | For 2020, the maximum salary deferral is \$13,500 (\$16,500 for account holders age 50 and older). The employer must match deferrals dollar-for-dollar, up to 3% of compensation (can be reduced to 1% in two out of five years), or make a 2% nonelective contribution to all eligible employees. | Employees can defer 100% of taxable income up to \$19,500 (up to \$26,000 for employees age 50 and older). Total employer/employee contributions cannot exceed \$57,000 (\$63,500 for employees age 50 and older). | Employees can defer taxable income up to \$19,500. A participant age 50 and older can make a \$6,500 catch-up contribution, in addition to the annual deferral limit. The employer is required to make either a 3% nonelective contribution or 100% of employee deferrals up to 3% of compensation, plus 50% of employee deferrals in excess of 3% up to 5% of compensation (for a total of 4%). | Employees can defer 100% of taxable income up to \$19,500 (up to \$26,000 for employees age 50 and older). The employer contributions are limited to a maximum of 25% of compensation; for self-employed, based on a specific computation using IRS guidelines. Total employer/employee contributions cannot exceed \$57,000 (\$63,500 if employee is age 50 and older). |
| Deadline to Establish | Tax-filing deadline, not including extensions (usually April 15) | Tax-filing deadline, not including extensions (usually April 15) | Employer's tax-filing deadline, including extension period (if filed for) | October 1 for current year (A 60-day notice must be given to eligible employees.) | Plan must be established by business's fiscal year-end, generally December 31. | October 1 to be eligible for current year | Plan must be established by business's fiscal year-end, generally December 31. |
| Deadline to Contribute | Tax-filing deadline, not including extensions (usually April 15) | Tax-filing deadline, not including extensions (usually April 15) | Employer's tax-filing deadline, including extension period (if filed for) | Employer contributions by employer's tax-filing date, including extension period (if filed for); employee contributions no later than seven days after the salary deferral is made | Employer contributions by employer's tax-filing date, including extension period (if filed for); salary deferrals as soon as administratively possible, but no later than the 15th of the month following the month in which they were deferred | Employer contributions by employer's tax-filing date, including extension period (if filed for); salary deferrals as soon as administratively possible, but no later than the 15th of the month following the month in which they were deferred | Employer contributions by employer's tax-filing date, including extension period (if filed for); salary deferrals as soon as administratively possible, but no later than the 15th of the month following the month in which they were deferred |
| Eligibility Requirements | Must have earned income for the year | Must have earned income for the year; \$6,000 contribution limit phased out for single filers with MAGI of \$124,000–\$139,000, married filing jointly with MAGI of \$196,000–\$206,000, or married filing separately with MAGI of \$0–\$10,000 | Employer must include all employees who have reached age 21, worked three out of the past five years, and earned at least \$600 in current year; employer must contribute same percentage to all employees. | All employees who have earned at least \$5,000 during any two preceding years and who are reasonably expected to earn \$5,000 this year | Employer must include all employees who have reached age 21 and who have completed one year of service; employer may exclude employees who worked fewer than 1,000 hours. | Employer must include all employees who have reached age 21 and who have completed one year of service; employer may exclude employees who worked fewer than 1,000 hours. | Only the business owner and his or her spouse or partner are eligible; only businesses that include those two individuals may participate in the plan. |
| Can Be Suitable For | Wage-earning taxpayer and nonworking spouse who file a joint return | Wage-earning taxpayer and nonworking spouse who file a joint return | Corporations, sole proprietors, partnerships, and nonprofit entities | Corporations, sole proprietors, partnerships, nonprofit entities, and government entities with 100 or fewer eligible employees | Corporations, sole proprietors, partnerships, and nonprofit entities | Corporations, sole proprietors, partnerships, and nonprofit entities | Businesses (including corporations, sole proprietors, partnerships, and nonprofit entities) that employ only the owners and their spouses |

| | Profit Sharing Plan | 403(b) | 457(b) | Cash Balance Plan | Defined Benefit Plan |
|--|--|--|---|--|---|
| Maximum Annual Contribution Limits | Contributions are limited to the lesser of 25% of W-2 compensation or \$57,000 (based on first \$285,000 of compensation); contributions are effectively limited to 20% of pay if self-employed. | Employees can defer 100% of taxable income up to \$19,500 (up to \$26,000 for employees age 50 and older). Total employer/employee contributions cannot exceed \$57,000 (\$63,500 for employees age 50 and older). An additional catch-up may apply. | Employees can defer 100% of taxable income up to \$19,500 (up to \$26,000 for employees age 50 and older). An additional catch-up may apply. | Contributions are dependent on participant's age and income (older employees generally receive higher contributions) and a formula that is specified in the plan document. It can be either a percentage of pay or a flat dollar amount. An annual interest credit is also included. The rate of return changes each year, but is guaranteed and independent of the plan's investment performance. | In general, the annual benefit for a participant under a defined benefit plan cannot exceed the lesser of: 100% of the participant's average compensation for his or her highest three consecutive calendar years or \$230,000 for 2020. Actuarial assumptions and computations are required to calculate contributions. |
| Deadline to Establish | Plans adopted before the due date (including extensions) of the tax year for the taxable year can treat the plan as having been adopted as of the last day of the taxable year. | Plan must be established by business's fiscal year-end, generally December 31. | N/A | Plans adopted before the due date (including extensions) of the tax year for the taxable year can treat the plan as having been adopted as of the last day of the taxable year. | Plans adopted before the due date (including extensions) of the tax year for the taxable year can treat the plan as having been adopted as of the last day of the taxable year. |
| Deadline to Contribute | Employer's tax-filing date, including extension period (if filed for) | Employer contributions by employer's tax-filing date, including extension period (if filed for); salary deferrals as soon as possible, but no later than the 15th of the month following the month in which they were deferred | Employee contributions withheld each pay period and deposited no later than seven days into the plan | For sole proprietorships and C corporations, April 15 (October 15 if extension filed); for partnerships and S corporations, March 15 (September 15 if extension filed) | Generally, quarterly installment payments of the minimum funding required contributions must be made. The due dates for the installments are 15 days after the end of each quarter. For a calendar-year plan, the installments are due April 15, July 15, October 15, and January 15 (of the following year). Additional contributions required to satisfy the minimum funding requirement for a plan year will be considered timely if made by 8½ months after the end of that year. |
| Eligibility Requirements | Employer must include all employees who have reached age 21 and who have completed one year of service (or two years if 100% vesting); employer may exclude employees who worked fewer than 1,000 hours. | Employer must provide universal availability to all employees; employer may exclude employees who participate in a governmental 457(b) plan, are nonresident aliens, or normally work fewer than 20 hours/week if the employer expects the employee to work less than 1,000 hours in a 12-month period and in subsequent 12-month periods. | Employees or independent contractors with earned compensation from an eligible employer; employer may choose to offer plan to highly compensated employees or to other particular groups of employees | Varies by plan | Employer must include all employees who have reached age 21 and who have completed one year of service; employer may exclude employees who worked fewer than 1,000 hours. |
| Can Be Suitable For | Corporations, sole proprietors, partnerships, and nonprofit entities | Employees of public schools and tax-exempt 501(c)(3) organizations | State and local government employees and their agencies, state political subdivisions and their agencies, and tax-exempt organizations | Corporations, sole proprietors, partnerships that already offer a 401(k) or profit-sharing plan | Corporations, sole proprietors, partnerships |
| Required Minimum Distributions (RMDs) | RMDs begin at age 72 or retirement, whichever is later, except 5% owners must start RMDs at age 72.* | RMDs begin at age 72 or retirement, whichever is later, except 5% owners must start RMDs at age 72.* | RMDs begin at age 72 or retirement, whichever is later, except 5% owners must start RMDs at age 72.* | RMDs begin at age 72 or retirement, whichever is later, except 5% owners must start RMDs at age 72.* | RMDs begin at age 72 or retirement, whichever is later, except 5% owners must start RMDs at age 72.* |

*Please note: For individuals who turned age 70½ before January 1, 2020, RMDs must begin at age 70½.
